Positive Tomorrows

Needs List

Positive Tomorrows is Oklahoma City's only school specifically serving children and families experiencing homelessness. We remove the barriers unique to a family experiencing homelessness to make learning possible. By meeting needs like food, clothing, school supplies and personal care items, you can create a brighter future for students and families.

Arrangements to drop off items can be made by calling our offices at (405) 556-5082 or emailing ahuser@positivetomorrows.org.
